

ONLINE PERMISSION SLIPS

I give permission for my child _____ to participate in ZOOM meetings online, knowing that there will video links (but nothing will be recorded).

I give permission for my child to participate in small groups on ZOOM with other children and a leader.

I give permission for my child to participate in weekly Bible Study groups on ZOOM with their leader and other group members.

I give permission for my child to email photos and videos to Leah that could be used on the private social media pages.

I give permission for my child to participate in the WhatsApp Group messaging app. This will be used for instant communication and reminders, not as a chat platform for the kids/youth. So parents can be added if they like.

ONLINE BEHAVIOUR AGREEMENT

We want to encourage our young people to use the online communications in a godly, loving and helpful way. As such, I would like the kids/youth to read the following. If they agree to behaviour in the below manner, please sign and we will continue to fellowship together online. Thanks.

- I will use language that is appropriate and kind. I will not use swear words.
- I will listen to the leaders as they host online meetings.
- I will not pass on any personal information like phone numbers or email addresses without permission.
- I will not add anyone to the groups without leader permission.
- I will not record or take photos of online meetings.
- I will only use photos and videos of people with their permission. If I want something posted onto group pages, I will email them first to Leah.
- I will be inclusive, trying my best to continue relationships with all people in my group.

I, _____, agree to behave in this manner as stated above.
